

Salmon Oil from Chile

Premium Salmon Oil

High-quality marine oil derived from salmon processed for human consumption

Sustainably Sourced for Animal Nutrition

SAF Salmon Oil is produced in southern Chile from the byproducts of salmon processed for human consumption, ensuring a sustainable, resource-efficient origin. With a high concentration of omega-3 fatty acids (10-12%), including EPA and DHA, this oil is ideal for premium feed formulations across aquaculture, pet food, and livestock sectors.

FOR AQUACULTURE

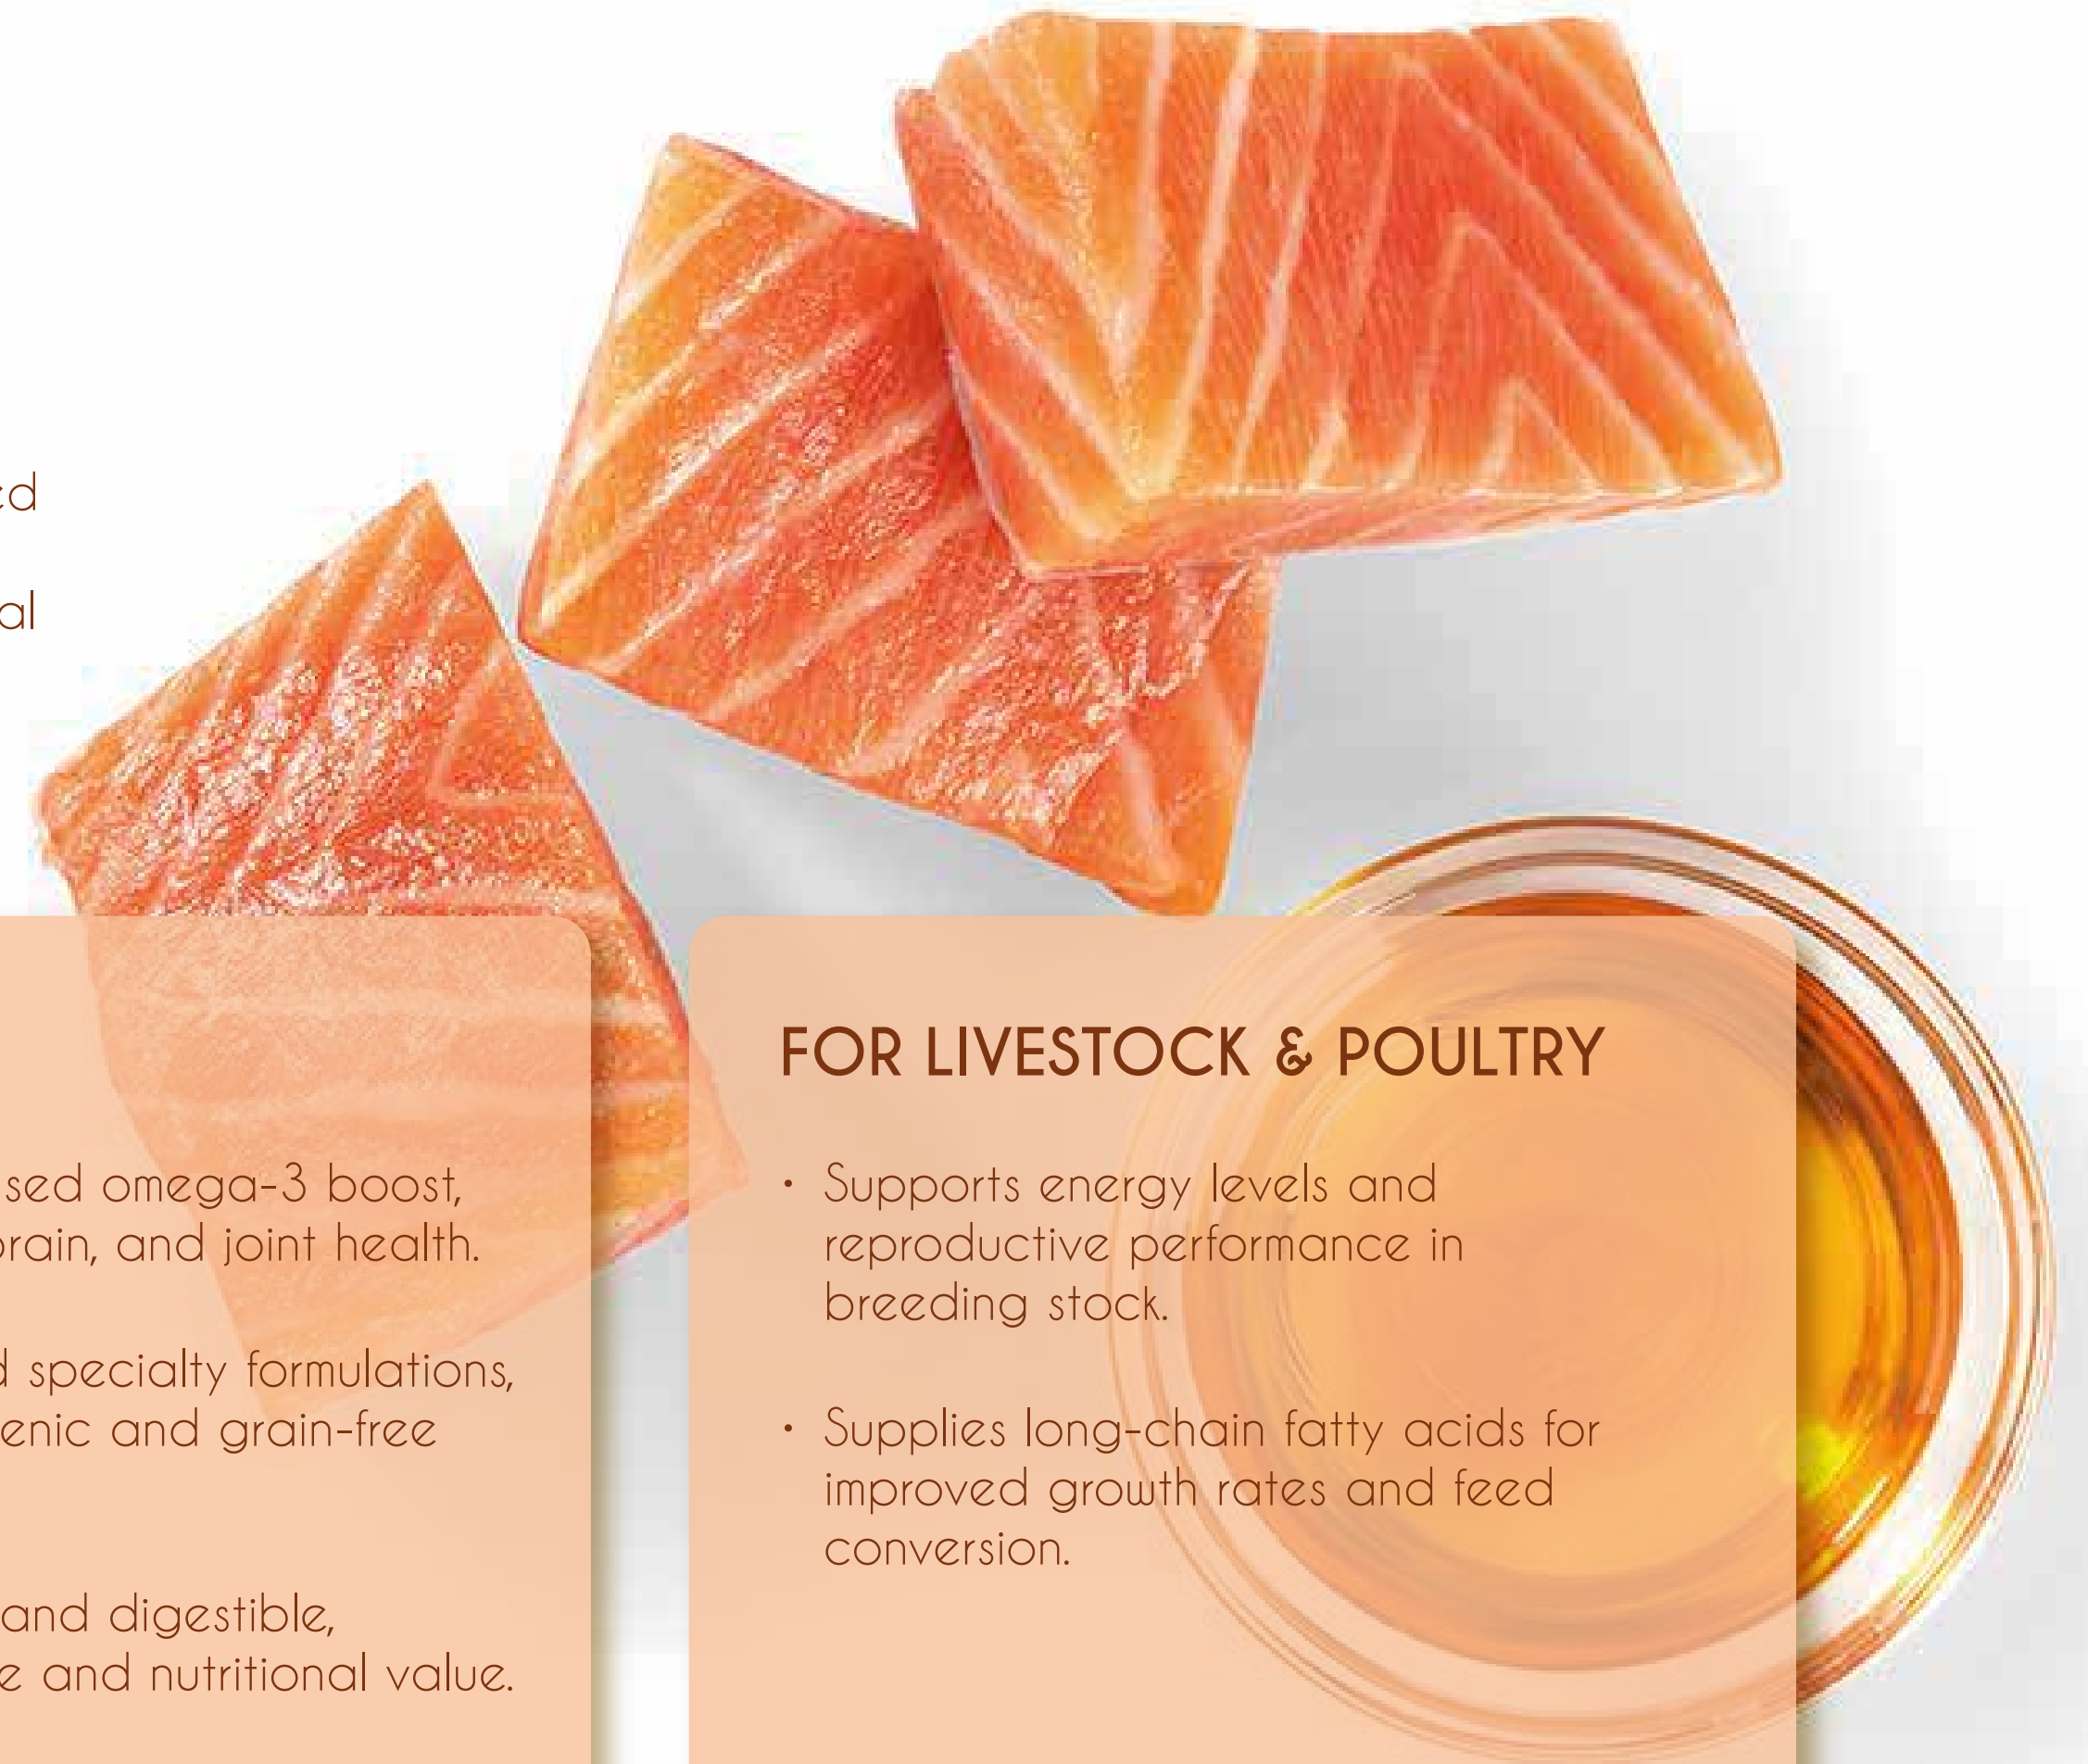

- Enhances growth, feed efficiency, and immune function in species like shrimp, sea bass, trout, and tilapia.
- High omega-3 content improves survival rates and supports optimal pigmentation and reproduction.
- Excellent energy source for high-performance aquafeeds.

FOR PET FOOD

- Delivers a marine-based omega-3 boost, ideal for skin, coat, brain, and joint health.
- Used in premium and specialty formulations, including hypoallergenic and grain-free diets.
- Naturally palatable and digestible, improving feed intake and nutritional value.

FOR LIVESTOCK & POULTRY

- Supports energy levels and reproductive performance in breeding stock.
- Supplies long-chain fatty acids for improved growth rates and feed conversion.

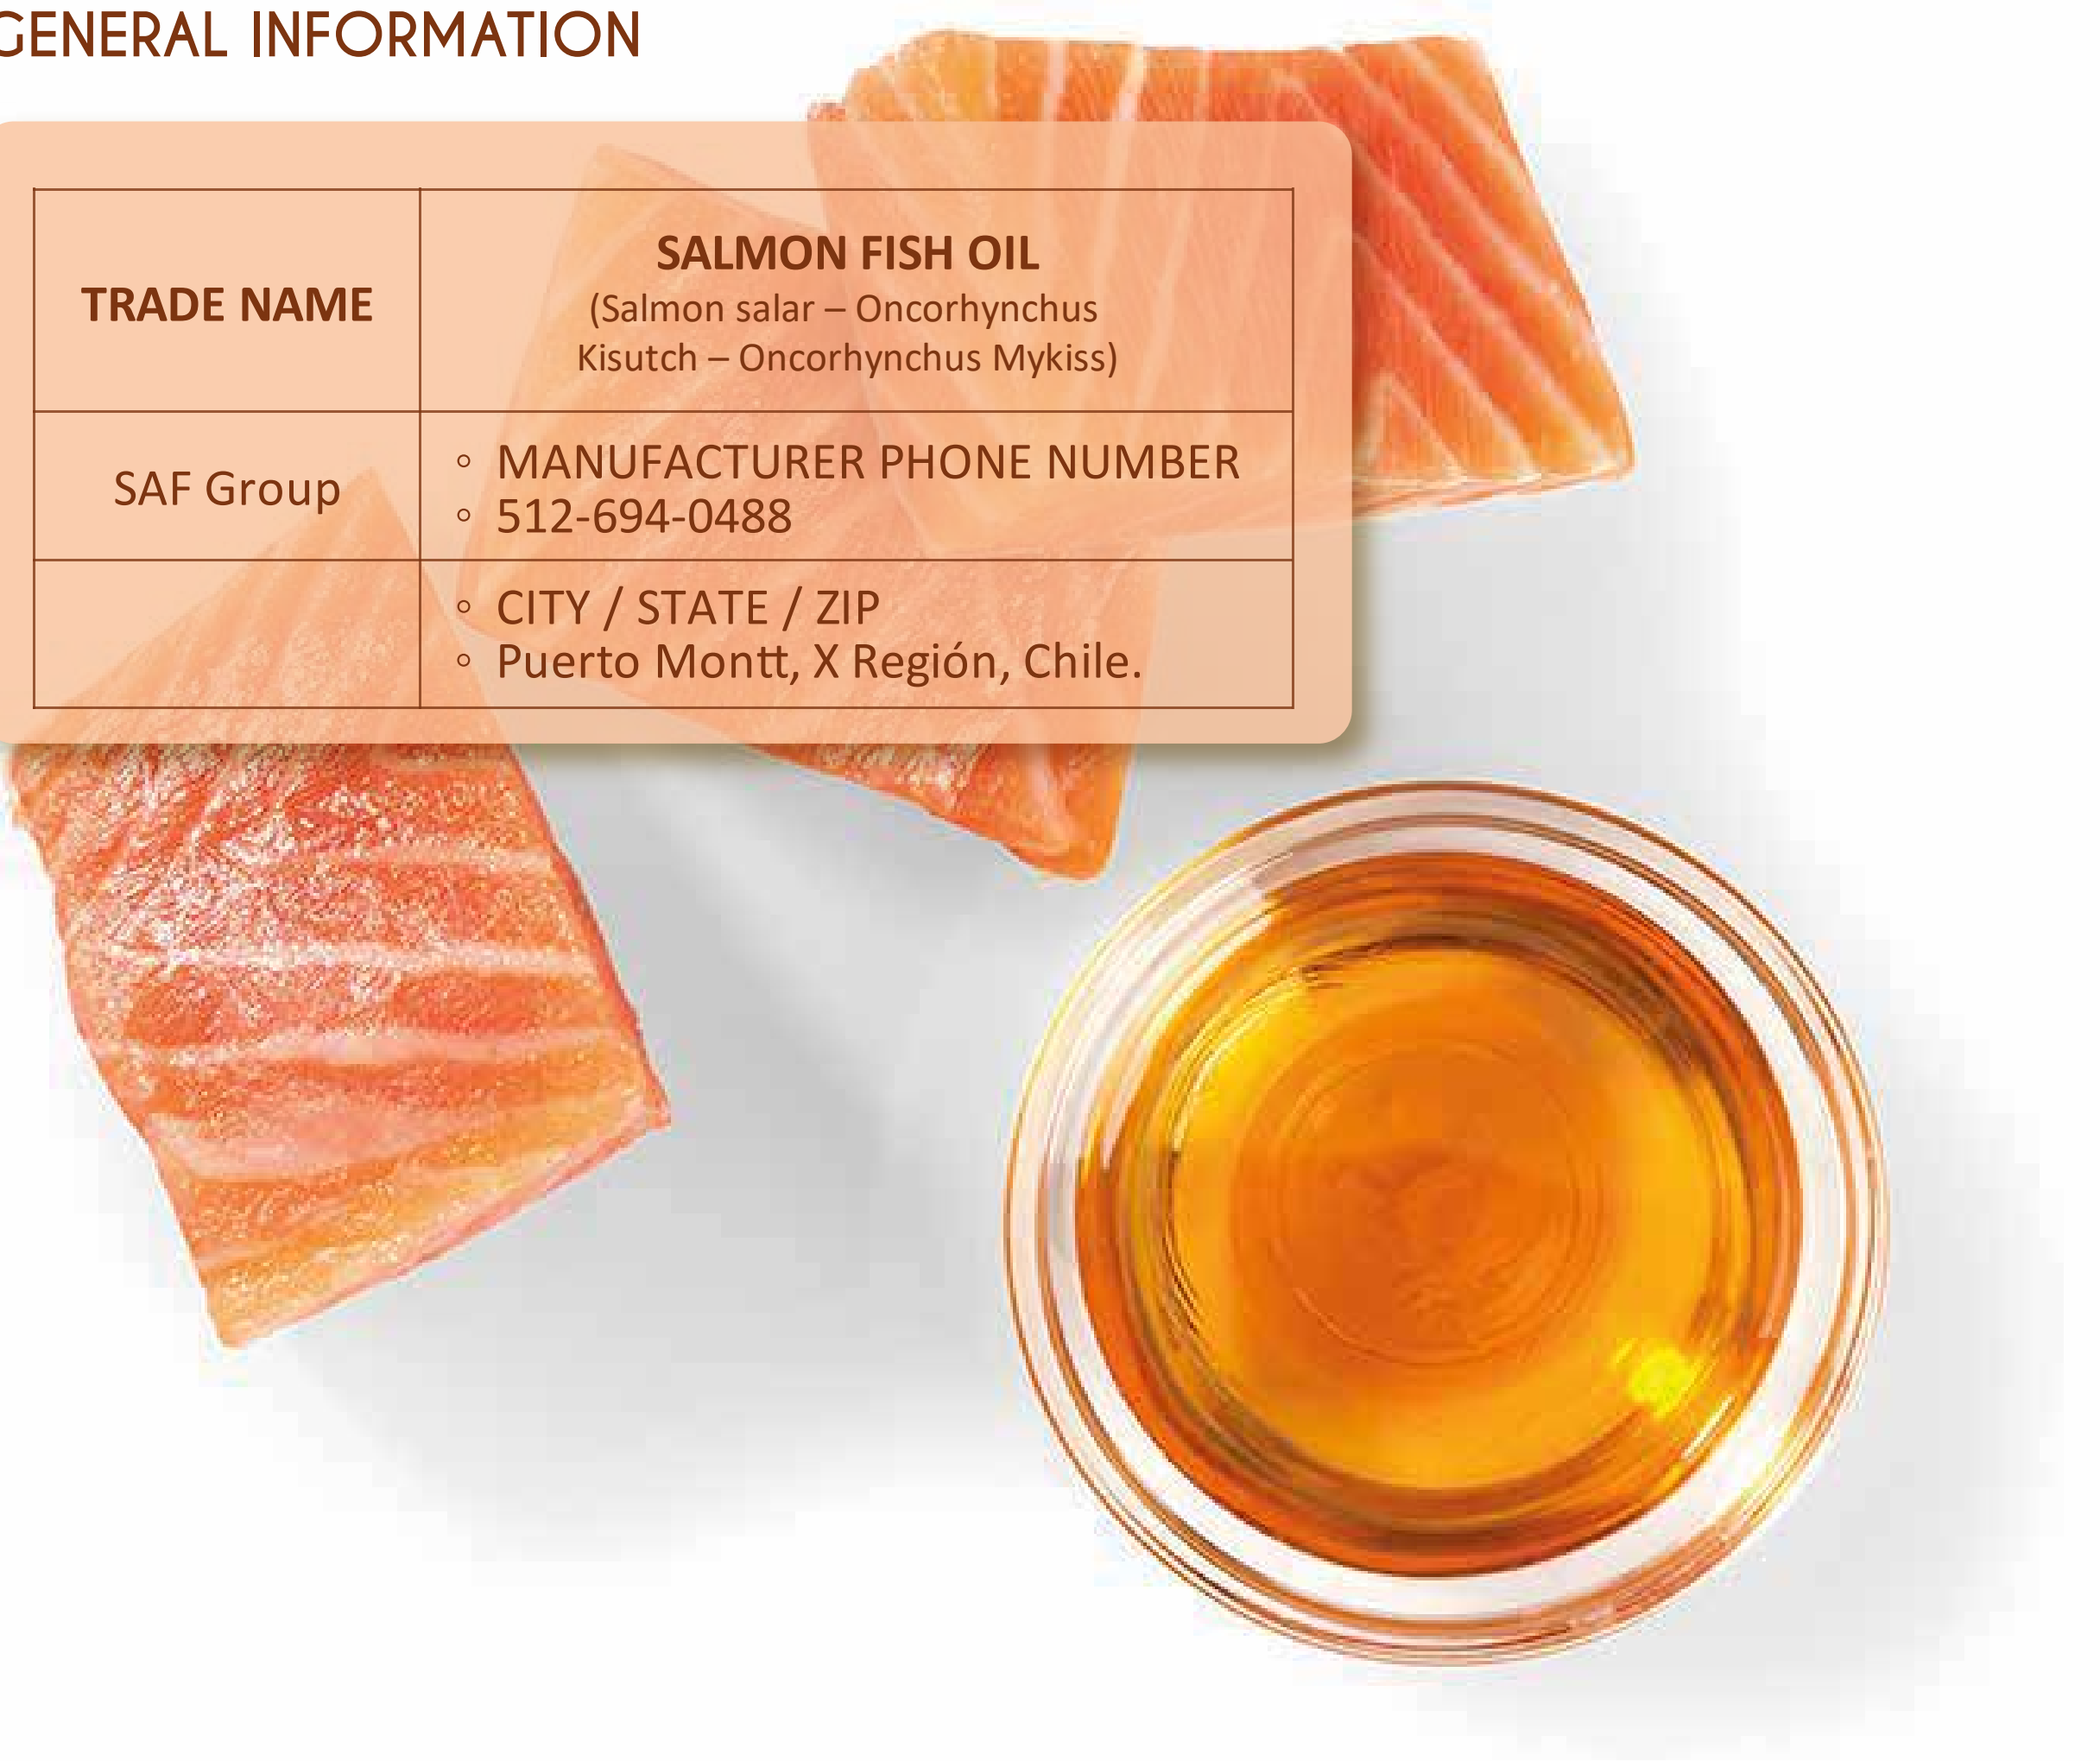

INGREDIENTS

PRINCIPAL COMPONENTS CRUDE SALMON OIL	UNIT	VALUES (Min-Max)
MOISTURE AND VOLATILE MATTER	%	0.5-1.0
FFA	%	3.0-5.0
PEROXIDE INDEX	meq O2/kg	<5.0 Max.
UNSAPONIFIABLE MATTER	%	2.5 Max.
IODINE VALUE	g/100g	120-140
COLOR GARDNER		14
VISCOSITY	cp	0.40-0.53
EPA+DHA	%	5-7
TOTAL OMEGA3	%	10-12
ANTIOXIDANT TREATED, UPON REQUEST - TOCOFEROLES / BHT+BHA/ BHT	ppm	

GENERAL INFORMATION

TRADE NAME	SALMON FISH OIL (Salmon salar – Oncorhynchus Kisutch – Oncorhynchus Mykiss)
SAF Group	◦ MANUFACTURER PHONE NUMBER ◦ 512-694-0488
	◦ CITY / STATE / ZIP ◦ Puerto Montt, X Región, Chile.

INGREDIENTS

PRINCIPAL COMPONENTS SEMI-REFINED SALMON OIL	UNIT	VALUES (Min-Max)
MOISTURE AND VOLATILE MATTER	%	0.5-1.0
FFA	%	0.5-1.0
PEROXIDE INDEX	meq O2/kg	5.0 Max.
UNSAPONIFIABLE MATTER	%	2.5 Max.
IODINE VALUE	g/100g	100-140
COLOR GARDNER		14 Max.
VISCOSITY	cp	0.40-0.53
EPA+DHA	%	5-7
TOTAL OMEGA3	%	10-12
ANTIOXIDANT TREATED, UPON REQUEST - TOCOFEROLES / BHT+BHA/ BHT	PPM	Added at Loading

OTHER SPECIFICATIONS

ORIGIN	SALMON FISH OIL IS PRODUCE IN CHILE
USE OF THE PRODUCT	◦ NOT FOR HUMAN CONSUMPTION ◦ FEED INGREDIENTS FOR AQUACULTURE (EXCEPT SALMON), POULTRY, SWINE, ETC.
SHELF LIFE	◦ 24 MONTHS FROM THE DATE OF PRODUCTION
PACKING	◦ NEW TOTES CONTAINING ABOUT 900 KGS NET ◦ NEW STEEL DRUMS CONTAINING ABOUT 195KG NET ◦ FLEXITANKS (ISO BAGS) ◦ TANKTAINERS ◦ IBC
